1. About us and this agreement

1.1 These terms form the Kart Storage & Recurring Payment Agreement between **Bayford Meadows Kart Circuit** ("we", "us", the "Storage Provider"), Symmonds Drive, Eurolink Industrial Estate, Sittingbourne ME10 3RY, and the person signing up for storage ("you", the "Customer").

1.2 The agreement is made when you tick the box confirming you accept these terms and complete your first payment on our secure Stripe checkout page. The name, contact details and kart details you enter at checkout form part of this agreement, and you must keep them up to date, either through our Stripe customer portal (see clause 6.5) or by telling the Circuit Office.

1.3 We will email you confirmation of your subscription. Please keep a copy of these terms. The current version is always available on this page.

2. What we provide

2.1 We provide secure on-site Indoor Kart Storage Space Only for one kart and its required standard trolley/stand (together, "the Kart"), as described in the details you give at checkout.

2.2 **Accessories:** one (1) standard kart trolley/stand only. No fuel containers or additional parts bins are allowed.

> 2.3 Customers are **NOT** granted access to the kart storage building under this agreement. No work whatsoever may be carried out on karts while in the storage building or directly outside it. This agreement is for kart storage only, operated by Bayford Meadows personnel. In line with our facility safety and security rules, please **DO NOT** enter the building.

3. Presenting your kart for storage

3.1 All karts must always be presented for storage on a standard-size trolley/stand, as shown in the photograph below. Our personnel may refuse to store a kart that is not.

Example of a kart correctly presented on a standard trolley/stand.

3.2 Before storage you must make sure the fuel tank is drained, any battery is disconnected, and the kart is safely secured to its trolley/stand.

4. Collections, returns and access

4.1 **Pre-booking:** all kart collections and returns to the front of the storage building must be pre-booked with the Circuit Office at least **24 hours** in advance by phone on 01795 410707 or email at info@bayfordmeadows.co.uk. We may not be able to accommodate unscheduled collections or returns.

4.2 **Permitted windows:** drop-offs and collections are limited to Bayford Meadows' listed Owner Driver Practice/Race days, and only during the 30 minutes before the first session and the 30 minutes after the last session of the day.

4.3 **Out-of-hours:** there is no access to the kart or the storage building outside publicised Owner Driver days. Any unauthorised attempt to gain access out of hours is a material breach of this agreement and may result in an administrative penalty or the suspension of your storage privileges.

4.4 **Emergency access:** in exceptional circumstances, requests for a last-minute collection or return must be made through the Circuit Office. They are subject to staff availability and may incur an admin charge.

5. Safety, hazards and prohibited items

5.1 Storing loose petrol cans, unsealed fuel tanks, loose tyres or hazardous chemical compounds is strictly prohibited under local fire safety regulations.

5.2 We may refuse to store, or ask you to remove, anything that does not comply with this section.

6. Fees and payment

6.1 **Monthly storage fee:** £80.00 per kart and standard trolley/stand per month, including VAT.

6.2 **First payment:** you pay the first full month's fee when you sign up, before storage begins.

6.3 **Billing date:** after that, the fee is paid monthly in advance on your billing date, which is the same day of each month as your first payment.

6.4 **Payment method:** by signing up and giving your card details through our secure payment processor, Stripe, you authorise us to:

a. store your payment card securely with Stripe for future payments (we never see or store your full card number); and
b. charge your card on each monthly billing date for the agreed storage fee (a "continuous payment authority").

6.5 **Managing your account:** you can update your contact details and payment card, and view your payment history and invoices, at any time through our secure Stripe customer portal. Enter the email address you signed up with and Stripe will email you a secure login link. Please keep your details up to date so we can contact you about your storage. Updating or removing a card in the portal does not end this agreement (see section 7).

6.6 You can cancel this continuous payment authority at any time by contacting us in writing or by instructing your card issuer directly. Cancelling your payment method does **not** end this agreement or your obligation to pay storage fees while your kart remains on our premises. To end the agreement, see section 7.

6.7 **Failed payments:** if a monthly payment fails, we will notify you and try to take the payment again after 3–5 days. If payment is more than 7 days overdue, we may restrict access to your kart and charge a late administration fee of £25.

6.8 **Changes to fees or terms:** we will give you at least 30 days' notice by email before any change to the storage fee or these terms takes effect. If you do not accept the change, you may end the agreement under section 7 before it takes effect.

7. Ending the agreement

7.1 This agreement starts on the date of your first payment and continues on a rolling monthly basis until it is ended by either party.

7.2 Either party may end this agreement by giving at least **30 days' written notice** before the next monthly billing date. We will then cancel your subscription so that no further payments are taken after the notice period.

7.3 No partial refunds are given for unused days if you remove your kart early within a month you have already paid for.

7.4 You must collect your kart, under section 4, by the end of your final paid month. If the kart remains on our premises after that, storage fees continue to apply and sections 6 and 9 continue to apply.

8. Liability and insurance

8.1 **Owner's risk:** your kart and its trolley/stand are stored entirely at your own risk. The storage building is kept locked and alarmed outside scheduled, pre-arranged collection and return times, and only recognised Bayford Meadows personnel have access, for the purposes set out in section 4.

8.2 **Insurance:** we do not insure customers' property against fire, theft, vandalism, flood or accidental damage. You must maintain your own equipment insurance (for example, through a specialist motorsport insurer) for as long as this agreement lasts.

8.3 Nothing in these terms limits or excludes our liability for death or personal injury caused by our negligence, for fraud, or for anything else that cannot be limited or excluded by law, including your statutory rights as a consumer.

9. Lien and abandonment

9.1 **Right of retention:** we hold a contractual lien over the stored kart and trolley/stand for any unpaid storage fees, which means we may keep them until the outstanding amount is paid.

9.2 **Abandonment:** if storage fees remain unpaid for more than 90 days, we may declare the equipment abandoned.

9.3 **Disposal and sale:** after sending formal notice to the email address you registered with us, we may sell or dispose of the kart to recover outstanding balances and reasonable administrative costs.

10. Your information

10.1 We use the details you provide to manage your storage and payments. Card payments are processed by Stripe. Please see our privacy policy for how we handle personal data.

11. General

11.1 These terms are governed by the law of England and Wales, and the courts of England and Wales have jurisdiction.

11.2 If any part of these terms is found to be unenforceable, the rest remains in effect.
